

January 19, 2010

Mayor Parker Nalley  
City of Hodgenville  
1838 Tonieville Road  
Hodgenville, KY 42748

Dear Mayor Nalley:

I am pleased to enclose information about our upcoming “What Can Green Do for You?” conference at Elizabethtown Community and Technical College (ECTC), Elizabethtown Campus, to be held Friday March 12, 2010. The conference objective is to provide a forum to discuss the implementation and measurement of best practices for sustainable and green initiatives at the government level.

This one-day conference, one of the first of its kind in our region, provides a forum for government officials to discuss strategies and challenges for the implementation of green practices into the business of government. Sessions will focus on national, regional, and local initiatives and possible sources of funding for these initiatives. A breakout session will provide an opportunity for participants to interact with each other and share common concerns and answers.

The conference is being conducted by our Workforce Solutions division in conjunction with the Institute of Government at ECTC. For more information contact Dr. Tom Davenport, Dean of Workforce Development and Continuing Education, either by email at [tdavenport0008@kctcs.edu](mailto:tdavenport0008@kctcs.edu) or by phone at 270-706-8699.

I look forward to your participation.

Yours in Education,

Dr. Thelma White  
President/CEO
